

# BATANG PINOY GAMES TECHNICAL GUIDELINES

## 1. Tournament Rules and Regulations

Latest WKF Rules of Competition will be strictly implemented with some minor adjustments for Batang Pinoy participants that will be discussed and agreed upon during the solidarity meeting. The person in charge of submitting the entries confirm that all competitors have been advised of the risk of kumite competitions and that they fully realize and accept these risks.

All coaches must have a coach license issued by the National Federation (KPSFI) for you to be able to coach during the games for both Batang Pinoy and Philippine National Games.

For non-members of the federation, we are having a FREE seminar for coaches on December \_\_\_\_, 2024, 9:00 am at the \_\_\_\_\_\_followed by an accreditation examination.

The issuance of accreditation cards will depend on the examination results and will only be given to those who passed the examination. These accreditation exams are just for the use of the Batang Pinoy Games only.

For those who will not pass the accreditation exams, you cannot enter the competition area and will only be allowed to stay with the athletes in the athlete's bleachers and holding area.

Karate Pilipinas Coaches with an expired coach license will need to take the exams for renewal to be allowed to coach in the championships
